Sounds fine. I'm Acting for Andrew so crazy day today with meetings so don't anticipate being available. Lisa, will you be sitting in on the interview? Thanks, Libby

I suggest 1:00 – 1:30 with some time to have a call beforehand to discuss if that schedule works for you Mike/Libby?

Mike - the main messaging input we want to give you (coming straight from HQ OPA) is that if asked about the budget you must respond that we are not commenting on the budget process at this time. It's imperative that we not speculate on anything pertaining to the budget.

Let me know if this works for everyone.

Hi Lisa,

Monday 10am-130pm would be my preference, but I can do 10-230pm Tue, Thur or Fri as well.

Thanks,
Eric

Hey Eric,

Just getting back to you about the CFAC Community Involvement Plan and your request for an interview. We don't have anyone available today but propose that we do it early next week. Would that work for you? Please let me know.
